

Student Lodging

5-night package: from 18 to 23 August: 175 euros

Or

6-night package: from 17 to 23 August: 210 euros

The city has many student housing units located along the Montpellier tram network. We have negotiated low cost lodging with the Regional Centre for University and School Works (CROUS), to provide lodging at a very fair price.

Each participant will have access to a single recently renovated room, without air-conditioning, furnished with:

A single bed
a kitchenette
a fridge

an all-in-one bathroom (shower, toilet and sink)

a welcome kit furnished with: 3 hangers, 1 soap, 1 bottle of shampoo, 1 glass, 2 towels (1 big and 1 small) and a toilet paper roll

at a price of 35 euros per night, including internet access and breakfast “à la française”.

The student residences are secure with access control and are well-located along tram line 1, only a few minutes from Corum, where the event takes place.

You can book CROUS lodging after registering for the conference online. Payment must be made by bank transfer or PayPal; payment cannot be deferred or made upon arrival.

Booking CROUS lodging will be possible until May 15th, 2018 in the limit of available rooms by registering [here](#)

The rooms can only be booked by participants who are registered with the congress. The organizers will check this information and will cancel without refund any room booked by someone not registered.

You will be lodged in one of the residences shown below and you will receive the name of the residence where you will be staying at the beginning of August 2018.

Cité Colombière

**570 route de Ganges
34096 MONTPELLIER**
